Our Exceptional Team

Michelle DeVos, who has more than 17 years experience working with preschool-aged children, leads our team of great people who love working with children!

Our staff is CPR/first-aid certified, highly qualified, and receives continual professional development in early childhood education training.

And we love our Teacher Cadets (students from Warrenton High School and Warrenton Grade School), who assist in the classroom throughout the day.

Enrolling is Easy

A Reservation Form can be found online at www.warrentonprep.com or can be picked up at the District Office, Warrenton Prep, or the Grade School main lobby.

After making your selection(s), return the form to the Warrenton-Hammond School District office. Space is limited, so placement is on a first-come, first-served basis.
